## **I. INTRODUCTION**

1. The social success of a condominium community depends in large part on the rules, regulations and restrictions that govern how residents are expected to conduct themselves. Typically, the declaration subjects all villa owners to general covenants, while the Bylaws and Rules & Regulations provide specific guides for day-to-day living. Your Board of Directors has adopted the following Rules & Regulations to enhance the enjoyment and tranquility of all persons living in the community.
2. These Rules & Regulations do not supersede or change the Bylaws or Declaration of Restrictions in any manner.
3. Whenever the word "owner" appears, if used in this document, it will include any and all tenants and/or occupants. All Rules & Regulations herein will apply to all tenants and/or occupants.
4. Owners shall be responsible for tenants'/occupants' actions or misconduct and adherence to the Rules & Regulations of the Association. Each owner shall be responsible for providing tenants/occupants with a current copy of the Association Rules & Regulations.
5. The monthly maintenance assessments by the Homeowners Association on common property will depend, in large measure, on the care and consideration exercised by each and every owner and his/her guests. If the maintenance costs are high and the current budget is not sufficient to meet these costs, each owner's assessment will have to be increased accordingly.
6. All of the Rules & Regulations herein may be changed or added to at any time by the Board of Directors with due notice. Any consents granted hereunder may be revoked for due cause.

## **II. ENFORCEMENTS OF RULES AND REGULATIONS**

1. In order to enforce the CC&R's, Bylaws, Articles of Incorporation, and Rules & Regulations, the Board of Directors may levy, assess, and collect reasonable fines as established by the Board of Directors. The fines shall be assessed against the Homeowner for violations by owner, members of his or her family, invitees, licensee, or lessee of such owners. Whenever the word "owner" is used in this document, the word "tenant" shall also apply.
2. Inquiries, complaints, or reports of violations should be submitted to the Manager via the Ramona Villas website or via the locked mailbox in the laundry room. Do not take your complaints directly to the board members. No board member can make a unilateral decision regarding any matter. Decisions are made by a quorum of the board members at a duly noticed meeting.

### **ENFORCEMENT PROCEDURES AND FINE SCHEDULE**

1. In the event of an alleged violation of the Association's CC&Rs, Bylaws or Rules and Regulations ("Governing Documents") by an owner or an owner's family member, guest, invitee, agent, or tenant, the Board of Directors will generally follow the enforcement procedures outlined below. Provided, however, that, when the circumstances warrant, the Board may take more immediate action, such as

initiating an action in the Superior Court, to secure an owner's compliance with the Governing Documents.

2. Violation Letters. The Association may first send a courtesy violation letter to the owner. This letter shall advise the owner of the nature of the violation and the specific section(s) of the Governing Documents violated. The letter shall provide a deadline (typically 15 to 30 days, depending on the nature of the violation) by which the owner must cure the alleged violation, and shall inform such owner that a failure to comply by the deadline may result in fines, other penalties, or other legal action as necessitated by the circumstances and nature of the violation. The Association may send a second, or third violation letter to the owner, before proceeding with a Notice of Hearing.
3. Notice of Hearing. If the Violation Letter does not result in compliance by the stated deadline, a Notice of Hearing may be sent to the owner advising the owner that a hearing before a three member panel (one of whom shall be designated a chairman) appointed by the Board will be held in connection with the violation. In its discretion, the Board may immediately send the Notice of Hearing to an owner, without first sending an initial violation letter. The Notice of Hearing shall be given at least fifteen (15) days before the hearing and will advise the owner of:
  - A. The date, time and place of the hearing;
  - B. The nature of the dispute/violation, with references to provisions of the Governing Documents that have been violated;
  - C. The necessary corrective action;
  - D. The disciplinary measure or measures that may be imposed;
  - E. The owner's right to attend the hearing and address the Board; and
  - F. The owner's right to have counsel present.
  - G. The owner's right to present oral and written evidence and to confront and cross-examine adverse witnesses.
4. Hearings. Hearings will be conducted in executive, or closed session. The owner shall have an opportunity to present his or her case for a maximum of 15 minutes. The Board shall then take the matter under submission and notify the owner in writing of the Board's determination, and the reasons for any disciplinary measures imposed, within seven (7) days. Any disciplinary action may take effect no sooner than five (5) days after the hearing.
5. Disciplinary Actions. The Board may take one or more of the following actions, in addition to any others provided for by the Governing Documents, California law and/or as necessitated by the facts and circumstances of the particular matter:
  - A. Levy a fine or fines, in accordance with the Fine Schedule. Continuing violations, such as, without limitation, an ongoing noise violation, may

result in consecutive daily, weekly or monthly fines for as long as the violation continues.

- B. Suspend the owner's voting rights and rights to use the recreational facilities. Any suspension of an owner's rights as a member shall be for the period during which any Assessment owed by the owner remains unpaid and delinquent, or for so long as any other type of violation continues.
- C. Levy a Special Individual Assessment. If the Association incurs expenses in bringing an owner or the owner's Unit into compliance with the Governing Documents, the Board may levy a Special Individual Assessment in the amount of such expenses.
- D. Removal of Vehicles. The Association may cause the removal of any vehicle that is parked or maintained in the community in violation of parking rules and restrictions.

### **FINE SCHEDULE**

Reasonable fines for first-time violations shall be levied in accordance with the following schedule:

|   |          |
|---|----------|
| Hazardous Activities in Violation of any Governing Documents (Risk or Harm to Person or Property)           | \$250.00 |
| Nonhazardous Violations of Other Use Restrictions   | 100.00   |
| Unauthorized Improvements to Property   | 250.00   |
| Any Violation of the Bylaws, CC&Rs or Rules & Regulations not Specifically Mentioned                        | 100.00   |
| Parking/Vehicle Violation   | 100.00   |
| Animal Control Violation  | 100.00   |
| Violation of Leasing Restrictions, Including Prohibition Against Rentals for Terms of Less Than Ninety Days | 500.00   |

**Continuing Fines for Continuing Violations:** The Association's notice of hearing may provide that the Board will consider imposition of the fine on a continuing daily, weekly or monthly basis. If such a continuing fine is imposed by the Board after notice and hearing, the responsible owner will be liable for the amount of the fine imposed for each day, week or month, as appropriate, that the violation continues unabated. Owners subject to a continuing fine are responsible for notifying the Association promptly upon bringing their property into compliance so that the Association can confirm that the owner has cured the violation and otherwise come into compliance and halt future recurring fines.

**Increased Fines for Repeated or Continuing Violations:** Fines shall be in addition to any Special Individual Assessment that may be levied to reimburse the Association for its expenses and costs. Fines for continuing or repeated violations may be increased at the discretion of the Board, following notice and a hearing, up to \$500.00 each. Four or more related or unrelated violations assessed to a single unit in any 12-month period

may result in an additional fine of up to \$100.00 at the discretion of the Board of Directors, following notice and a hearing.
